

Quick Guide Registration and Login DAAD EVENTS APP

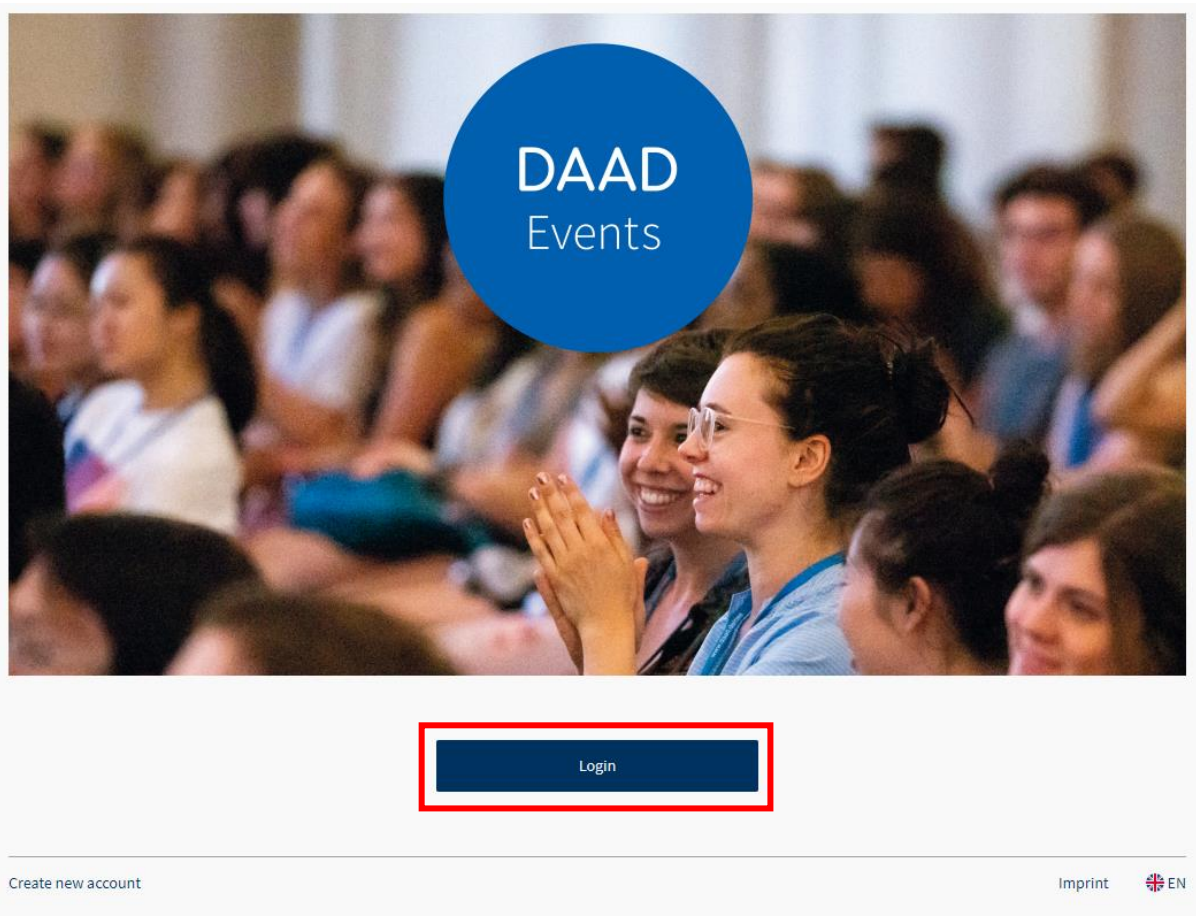

Initial registration in the DAAD Events App:

If you aren't yet registered on our event portal, please use the link below for your initial registration: <https://registration.daad-events.de/> and create your account under "Register".

After registration you will receive an email with a login link. Please open the link and complete your account details (See instructions for profile maintenance).

If you are already registered in our app, you can log in via this LINK [DAAD Events \(daad-events.de\)](https://daad-events.de) with your login data via the button „Login“, and you can also reset your password if necessary.

Registration for “Erasmus+ Networking Forum EU-Higher Education Cooperation between Germany and Eastern-Africa”.

After this step, you will be navigated to the following homepage:
[DAAD Events \(daad-events.de\)](https://daad-events.de).

You can now complete the questionnaire on this page and register for the event:
